* <u>User Guide</u>	Welcome to H-DSN Registration         The Harley-Davidson Supplier Network (H-DSN) has been developed to strengthen the overall relationship between Harley-Davidson and its supply base. The web site is a valuable tool for conducting business in a more efficient, timely and collaborative manner.         Applications on H-DSN <ul> <li>Administration (User Set Up and Maintenance)</li> <li>Tutorials and User Guides</li> <li>Supplier Profile Manager</li> <li>Payables (Invoice and Payment Tracking)</li> <li>Part Drawings</li> <li>Engineering &amp; Cosmetic Standards</li> </ul> <ul> <li>Supplication (User Set Up and Maintenance)</li> <li>Supplier Performance</li> <li>Order Management Plan (Forecast) &amp; Firm Order Visibility</li> <li>Purchase Order Collaboration for Parts &amp; Accessories and General Merchandise</li> <li>Advance Ship Notices (ASN's) ** Requires separate registration, approval and activation on H-DSN</li> </ul>		
	Click the "Next" button to continue.		
	For technical assistance click the Contact us button or call 888-549-9320. For business assistance please contact your H-D representative.		

8. The Main Catalog displays showing the events that you are eligible to register for. Click on the Event link that represents the type of activation you require.

Notes:

- Initial Supplier Activation on H-DSN: Select this if you would like an H-DSN Logon.
- ASN Activation for Order Management: Select this if you already have an H-DSN Logon and require the ability to send ASNs from Order Management.

 Regardless of which link was clicked on, an event enrollment screen displays noting the event description that you are requesting activation for. Read the screen and then click on the Enroll button associated with the Session (Activation) Date of when you would like to begin having access or functionality.

#### Note:

If you mistakenly selected the incorrect Event, refer to the left side of the screen and click on the STEP 2: Classes link and the Main Catalog screen displays (as seen on the previous page).

 A registration confirmation screen displays indicating that you successfully registered for the event. Please note the Session (Activation) Date and the Confirmation Number. You will also receive an email confirmation.

11. To exit the confirmation screen, click on the Finished or Register for more classes button. When the Finished button is clicked, the below message displays.

- Before registering for an activation event, consult with your organization's H-DSN Central Point of Contact and/or H-DSN Administrator as they are your first line of support as it relates to H-DSN access and functionality.
- Once you have successfully registered for a specific Event (i.e. Initial Supplier Activation on H-DSN), it will no longer display as an option in the Main Catalog. The Main Catalog only displays events that you are eligible to register for.
- If you registered for ASN Activation for Order Management and you do not already have an H-DSN logon, a logon will be assigned at the time the ASN functionality is activated.

## **Support**
